Government Polytechnic Chhatrapati Sambhajinagar

An Autonomous Institute of Government Maharashtra

*Computer
Engineering &
Artificial
Intelligence and
Machine Learning
Department*

Computer Engineering

Vision

A center of excellence in the domain of Computer Science & Engineering to cultivate "digital artifacts" for society.

To impart education in computer hardware and software required for industry and business. Developing skills resembling problem solving, interpersonal skill, high order thinking and logical reasoning for entrepreneurship and employment. Developing values and ethics for lifelong learning in the system environment.

Mission

Artificial Intelligence & Machine Learning

Vision

To strive for the development of technocrats and empower them to face ever-changing challenges in the field of Artificial Intelligence and Machine Learning (AI & ML).

To impart quality education with contemporary industry needs and emerging AI & ML techniques. To develop employability and entrepreneurial skills in students. To inculcate lifelong learning with ethical and sustainable practices.

Mission

Government Polytechnic Chh. Sambhajinagar

(An Autonomous institute of government of maharashtra)

"योग: कर्मसु कौशलम्"

Welcome to the Computer Engineering & Artificial Intelligence department, where we explore tomorrow's technologies today. Our students dive into fields like machine learning, IoT, and data science, guided by expert faculty. With a focus on practical applications and innovative research, we equip students to lead in the ever-evolving tech world.

EDITORIAL COMMITTEE

Editor in Chief:

Prof.S.S.Jaiswal

I feel ecstatic authentically provide a platform for unleashing the intellectual insightism general accomplishment for the Computer Department. It would not only serve as a vent to express the complete reflection of departmental activities but also an avenue to share academically the required input. This categorically intends to endorse the departmental activities at various levels. we generally fail to remember and acknowledge the routine things but now this letter will provide space for all individual and department to present thing . With our college and departmental support I am trying to motivate and encourage the hidden talent of our student and staff.

From Principle desk

Pursuit For Excellence...It is my great pleasure to welcome you to Government Polytechnic, Chhatrapati Sambhajinagar has a long-standing reputation in providing technical education. We are constantly reviewing our set up to update and improve while making sure that students gain thinking skills, interpersonal and communication skills and analytical frameworks which will be advantageous to them in the future. Apart from academic activities, the co-curricular activities- Sports/IEDSSA, Cultural Events and Social Service activities form a vital ingredient of the students grooming leading to their holistic personality development. I wish that that the Institute will continue to leave its mark in the society by shaping the future of the youth of our country and transforming their potential into successful careers.

Dr.A.M.Jinturkar

HOD desk

Dr.M.A.Ali

As the Head of the Computer Engineering & Artificial Intelligence and Machine Learning department, my vision is to foster a dynamic learning environment that nurtures creativity, innovation, and excellence. I believe in equipping our students with not just technical skills but also instilling in them a passion for lifelong learning and a commitment to ethical practices. Through strategic initiatives and collaborations with industry partners, we strive to stay at the forefront of technological advancements, ensuring that our graduates are well-prepared to tackle real-world challenges and make meaningful contributions to society. Together, we are shaping the future of computing, one student at a time.

Events & Activities

Teacher's Day Celebration

"We, the students of Computer Engineering and AIML, proudly organized a special Teacher's Day celebration on 5th September 2024. The event was filled with joy as we conducted fun games for our beloved teachers, making the day memorable for them. As a token of our gratitude, we honoured them with heartfelt gifts, appreciating their endless dedication and guidance. It was our way of saying 'Thank You' for shaping our future with wisdom and care!"

"With wisdom in their hearts, they light our way, Guiding us through life, each and every day."

Committee

About ASCE & AIDIAS

5 SEPT 2024

Committee Establishment of Computer & Artificial Intelligence and Machine Learning Department

On 5th September, the ASCE and AIDIAS Committee was officially established, marking the beginning of a new journey. To symbolize their roles and responsibilities, each member was honored with brand-new badges showcasing their unique identities. The event was graced by our HOD Sir, who inaugurated the committee with a ribbon-cutting ceremony, signifying a fresh start towards innovation and excellence."

Dussehra Celebration

11 OCT 2024

We, the students of CO and AIML, joyfully celebrated Dussehra on 11th October 2024 in our department. The entire department, including the labs, was beautifully adorned with flowers, torans, and vibrant rangoli. Through this celebration, we honored the significance of our PCs, books, and other engineering tools that aid in our learning journey. The event was a grand success, thanks to the enthusiastic support from both students and faculty members.

Tree Plantation

25 Sept 2024

On September 25, our department took a significant step toward environmental conservation by organizing a Tree Plantation Drive. With a shared commitment to sustainability and a greener future, students and faculty members actively participated in planting a variety of trees and plants within the department premises.

The initiative aimed to enhance the campus greenery, improve air quality, and instill a sense of responsibility toward nature among students.

Expert Lecture on Linux

We, the Computer Engineering 3rd Year students, had the privilege of attending an expert lecture on Linux Programming by Prof. Rakhi Dixit, a seasoned educator with 17 years of experience and a RedHat Instructor at MIT RedHat Academy. Her in-depth knowledge of RHCSA, RHCE, DO180, and DO188 made the session highly insightful and beneficial for us.

Linux

Industrial Visit to MCED

On 22nd January 2024, the Computer Engineering (CO) and Artificial Intelligence & Machine Learning (AIML) students, accompanied by our esteemed HOD, Ali Sir, visited the Maharashtra Centre for Entrepreneurship Development (MCED). This insightful visit aimed to foster an entrepreneurial mindset among students, providing valuable exposure to industry practices and innovative strategies for future business ventures. The experience was truly enlightening and inspiring for all participants.

22 JAN 2025

Inauguration of Technical Magazine "Bits & Bytes"

10th Feb 2025

We are proud to announce the formal inauguration of the CO & AIML department's technical magazine, "Bits and Bytes", by Hon. Principal Dr. A.M. Jinturkar on 10th February 2025, in the presence of the dedicated student editorial board members.

"Bits and Bytes" serves as a dynamic platform to foster innovation, creativity, and technical excellence among students.

Entrepreneurship Awareness Program

14th Feb 2025

An Entrepreneurship Awareness Program was successfully conducted on 14th February 2025 in the Gymkhana Hall of our GPCs Institute. The event was organized by MCED Chh. Sambhajinagar and MSME, Delhi, aiming to promote entrepreneurial spirit among young minds.

The Final Year CO & AIML students actively coordinated the event and gained valuable knowledge on startup strategies, business development, and innovation. Students from all departments participated, making the event highly engaging and insightful.

This program served as a great platform to inspire future entrepreneurs and foster creativity and innovation.

Expert Lecture

6th Mar 2025

An expert lecture was conducted by Mr. Deepak Dhote, Operations Manager at IT-NetworksZ, on 6th March 2025. He provided valuable guidance to the Final Year CO & AIML students, offering deep insights into how the IT sector operates and the vast career opportunities available in the industry.

His expertise and practical knowledge helped students gain a clearer understanding of the IT industry's dynamics, career growth paths, and essential skills required for success in the field.

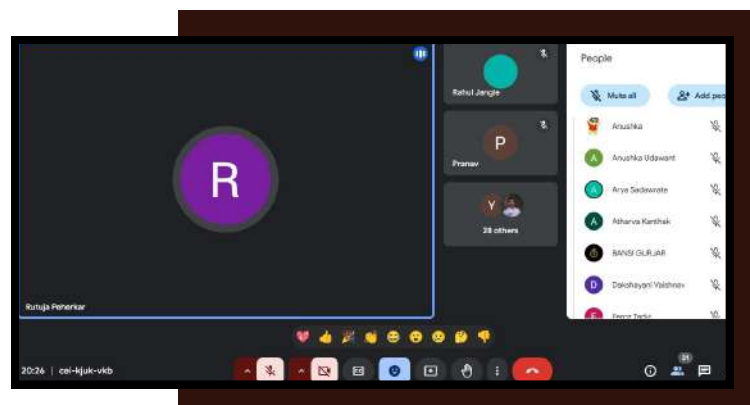

The session proved to be highly informative and inspiring for aspiring tech professionals.

Alumni Meet

19th Mar 2025

An Alumni Talk was successfully conducted on 19th March 2025 via Google Meet, where 30-40 alumni from the 2022-23 and 2023-24 batches interacted and shared their experiences. The session was attended by faculties from the Computer & AIML department, along with members of the ASCE & AIDIAS committee. The alumni provided valuable guidance to students, offering insights into career paths, industry expectations, and skill development, making the session highly insightful and engaging.

Final Year CO & AN Expert Lecture By ABC Trainings

An expert lecture on "Data Science & Python" was conducted by ABC Training Centre on 19th March 2025 for Final Year Computer Engineering & AIML students. The session provided valuable insights into the latest trends, applications, and best practices in Data Science and Python, enhancing students' knowledge and industry readiness.

22nd Mar 2025

2nd Year Industrial Visit

An industrial visit to Techsurya IT Solution was successfully conducted on 22nd March 2025 for 2nd-year Computer Engineering and AI students. A total of 61 students participated in this insightful visit, accompanied by respected Jangle Sir. The visit provided students with valuable exposure to real-world IT solutions, industry practices, and emerging technologies, enhancing their practical understanding of the field. This visit gave students valuable exposure to the corporate work environment.

The Department of Computer Engineering & AIML, Government Polytechnic Chh. Sambhajinagar, successfully conducted a State-Level Online Seminar Presentation Competition on 22nd March 2025. The event saw 60 registrations from across the state, out of which the 20 best participants were selected for the final presentations.

The competition provided a great platform for students to showcase their knowledge on emerging technologies. The winners were awarded prizes and certificates, making the event a valuable learning experience for all participants.

Student's Achievements

**Runner up in Bharat Darshan in
Umang 2k25**

**Winner in Zonal Level Carrom
Competition at Shrinath College**

**Winner in State Level Paper Presentation
Competition at CSMSS**

**Winner in Coding War Competition
at Loni**

**Winner in Zonal Level Volleyball
Competition at Govt. Polytechnic College**

**Winner in National Voter's Day
Competition at Collector Office**

Student's Achievements

Fun Fair Best Food Stall Award in Umang 2k25

Runner up in Coding War Competition at Loni

Runner up in Zonal Level Chess Competition at Shreenath College

Winner in Debate & Just A Minute Competition at Shreeyash College

Runner up in Duet Dance Competition in Umang 2025

Runner up in Poetry Recitation Competition in Umang 2025

Student's Achievements

In Umang 2025 and Extra Curricular Activities

- Aditi Kale secured Runner up position in Rangoli Competition in Umang 2025.
- Shivani Chavan, Tulsi Badgujar, Pranali Chaudhari & Mayuri Mahtole were Runner up in State Level Tournament in Volleyball.
- Pranav Gothwal secured First prize in PowerPoint Presentation.
- Palak Sarda emerged as Runner up in Badminton G1 Zonal Sports Tournament.
- Sanket Pawar was Runner up in Volleyball G1 Zonal Sports Tournament.
- Aditi Kale secured First prize in Voter's Day Poster Presentation.
- Rutuja Peherkar, Harsh Kathar, Shubham Deshmukh, Vishal Rathod, Suraj Wakhure participated in Quiz Competition at CSMSS College.
- Rutuja Peherkar, Vishal Rathod, Shubham Deshmukh, Harsh Kathar, Suraj Wakhure, Aditya Pathrikar, Jay Thuse, Akash Sose participated in TechQuiz Competition held at Shreeyash Polytechnic.
- Sangita Khodse & Shrushti Patil participated in Blind Coding Event.
- Yash Bhavsar, Mayur Gaikwad, Shyam Shrimangle, Anand Pathade, Vikas Wagh, Shubham Saraf participated in TechQuiz & Project Competition.
- Pranav Gothwal secured 3rd position in Elocution Competition at Sanjivini Polytechnic.

Many students have successfully participated in the Infosys Springboard Certification program. Their dedication and hard work have paved the way for skill enhancement and career growth. Congratulations to all the achievers!

ASCE & AIDIAS Committee Website Development

We are excited to announce the launch of our official committee website, built through the collaborative efforts of dedicated members.

This platform will serve as a one-stop destination for daily event updates and academic resources. Students can easily access year-wise and semester-wise syllabus, curriculum, marking schemes, previous question papers, notes, and related video materials, eliminating the need to search elsewhere.

The website also features a member dashboard to explore the committee members and their roles, along with a magazine page for browsing year-wise magazines. Additionally, students can contribute study materials such as PDFs, PPTs, and practical's by filling out a simple form. This platform aims to enhance learning and keep everyone connected with ongoing and past events.
